

Just Write It: Essential Study Skills for Humanities and Social Sciences Students

In the ever-competitive world of higher education, it is essential for students to possess the skills necessary to succeed in their academic endeavors. For students in the humanities and social sciences, one of the most important skills is the ability to write clearly and concisely. This is where the 'Just Write It' guide comes in.

What is 'Just Write It'?

'Just Write It' is a comprehensive guide to academic writing for students in the humanities and social sciences. It was written by Dr. Jenny Mackiewicz, a lecturer in English at the University of Nottingham. The guide is designed to help students to improve their writing skills in a variety of ways, including:

- Understanding the writing process

- Developing clear and concise prose
- Avoiding common writing mistakes
- Referencing and citing sources correctly

Key Features of 'Just Write It'

One of the key features of 'Just Write It' is its focus on the writing process. Mackiewicz emphasizes that writing is not a linear process, but rather a series of stages that students need to work through in order to produce a successful piece of writing. These stages include planning, drafting, revising, and editing.

Another key feature of the guide is its emphasis on developing clear and concise prose. Mackiewicz provides students with a variety of tools and techniques to help them to write clearly and concisely, such as using strong verbs, avoiding jargon, and organizing their ideas in a logical way.

Finally, 'Just Write It' includes numerous examples and exercises to help students to put into practice the skills they are learning. These exercises are designed to be challenging but achievable, and they provide students with the opportunity to receive feedback from their instructor or peers.

Benefits of Using 'Just Write It'

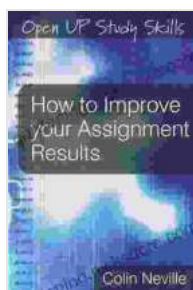

There are many benefits to using the 'Just Write It' guide, including:

- Improved writing skills
- Higher grades
- Increased confidence in writing abilities

- Success in academic career

If you are a student in the humanities or social sciences, 'Just Write It' is an essential resource that can help you to improve your writing skills and succeed in your academic career.

'Just Write It' is a comprehensive and user-friendly guide to academic writing for students in the humanities and social sciences. It provides students with the skills and knowledge they need to write clearly, concisely, and effectively. If you are a student in these fields, I highly recommend using this guide to improve your writing skills and succeed in your academic career.
