Quest and Crew offers a unique sailing adventure that will take you to some of the most beautiful and remote places on Earth. We sail on traditional sailing ships, which means you'll get a hands-on experience of what it's like to sail a real boat. You'll also learn about the history and culture of sailing, and you'll have the opportunity to meet other people who share your passion for adventure.

## About Us

Quest and Crew was founded by a group of experienced sailors who are passionate about sharing their love of sailing with others. We believe that sailing is a unique and transformative experience that can change your life. It's a chance to get away from the hustle and bustle of everyday life and reconnect with nature. It's also a chance to learn new skills, challenge yourself, and make lifelong friends.

Our sailing adventures are designed to be accessible to everyone, regardless of your experience level. We offer a variety of trips, from short day sails to week-long expeditions. We also offer a variety of training programs, so you can learn the skills you need to sail your own boat.

## **Our Ships**

We sail on a fleet of traditional sailing ships that are both beautiful and seaworthy. Our ships are fully equipped for long voyages, and they are crewed by experienced sailors who are passionate about sharing their knowledge and skills with our guests.

Our flagship is the S/V Quest, a 110-foot ketch that was built in 1924. The Quest is a classic sailing yacht that has sailed around the world. She is a beautiful and comfortable ship, and she is perfect for our sailing adventures.

We also have a fleet of smaller sailing ships that are perfect for day sails and short expeditions. These ships are all well-maintained and equipped with everything you need for a safe and enjoyable sailing experience.

## **Our Destinations**

We offer a variety of sailing adventures to destinations all over the world. We sail to the Caribbean, the Mediterranean, the South Pacific, and the Indian Ocean. We also offer special expeditions to remote and exotic destinations, such as the Arctic and the Antarctic.

No matter where you choose to go, you're sure to have an unforgettable sailing adventure. You'll experience the beauty of the natural world, learn about the history and culture of different countries, and make lifelong friends.
