Invisible allies, including spirit guides, angels, and your higher self, are powerful beings of light and love that surround us, ever ready to assist us on our life's journey. When we open our hearts and minds to their presence, we can tap into their wisdom, guidance, and healing energy, accelerating our spiritual growth, manifesting our desires, and creating a more fulfilling life.

## Who Are Invisible Allies?

Invisible allies are non-physical beings that exist in higher dimensions. They are composed of pure energy and vibration, and they cannot be seen with our physical eyes. However, they are very much real and present in our lives, offering us their support and guidance.

- **Spirit Guides:** Spirit guides are wise and experienced souls who have lived many lives on Earth. They have chosen to return to the spirit realm to assist others on their spiritual journey. Spirit guides can provide guidance, wisdom, and protection.
- **Angels:** Angels are divine messengers who embody love, light, and healing. They are sent to us by the Divine to assist us in our lives. Angels can offer protection, guidance, and miracles.
- **Higher Self:** The higher self is our true essence, our connection to the Divine. It is the part of us that is beyond time and space, and it knows our life purpose and potential. The higher self can provide us with guidance, intuition, and inspiration.

## **How to Work With Invisible Allies**

To work with invisible allies, we must first open our hearts and minds to their presence. This means being willing to believe that they exist and that they are here to help us. We can also connect with our allies through meditation, prayer, and other spiritual practices.

Once we have opened up to our allies, we can begin to ask for their guidance and assistance. We can ask them for help with specific situations or challenges, or we can simply ask them to be with us and support us on our life's journey.

Our allies will always be happy to help us, but they will never force their guidance on us. They respect our free will and they will only intervene if we ask them to.

## **Benefits of Working With Invisible Allies**

There are many benefits to working with invisible allies. They can help us:

- Find our life purpose and path
- Manifest our desires
- Heal from physical, emotional, and spiritual wounds
- Develop our intuition and psychic abilities
